

Mrs. Powell & Mrs. Condon's Newsletter 8/31/15

In the classroom this week:

Math: Next week we will continue working on rounding and start looking at addition and subtraction word problems.

Science: Our water cycle test is Monday. Tuesday we will begin our unit on weather, starting with precipitation types and cloud types.

Reading/Writing: Next week we will be "popping the main idea". In other words, we will be using text clues to identify the main idea of nonfiction passages.

Social Studies: We will be beginning our unit on economics.

Homework:

Daily: Check the homework folder in the agenda daily. Homework packets will be given weekly, however, pages will be labeled with daily due dates. This goes for reading and math.

Weekly: **Two** math problems from the weekly word problem sheet due Friday.

A few reminders:

-School pictures are Tuesday, September 1st. Please make sure to send in the picture packet if you would like to purchase them.

-Relay for Life kickoff for a cure is Friday, September 4th. Bring \$1 and wear your favorite team's apparel. All proceeds go to benefit our Relay for Life team.

-Science test on water cycle is Monday.

-We will begin using flash drives next week. If your child does not have one, please try to pick one up over the weekend.
