## Swingin' Through the Week

## Don't Monkey Around – Do your homework nightly!

1. Be sure to complete **4 activities** from your homework calendar a week!
2. **Read** (to, with, & by) 15-20 minutes and record it on your reading log(s).
3. Return your notebook every FRIDAY!

Are you checking and signing  
your child's folder nightly?

### Reading: Making Connections

*\*Can your child describe the connections between two events, ideas, or pieces of information in a text?*

### Writing: Narratives

*\*Can your child write narratives including two or more sequenced events, details about what happened, transition words, and a sense of closure?*

Please encourage correct grammar, spelling, capitalization, and punctuation!

### Math: Length

*\*Can your child measure length using nonstandard items and compare/order the lengths of various items?*

### Content: Water

*\*Can your child observe and record changes (i.e. freezing, melting, weight of frozen vs. melted, evaporation) in water as it relates to weather?*

## News from the Teacher:

\*Students will be participating in many STEM and Project-Based Learning activities this year! To help with this initiative, we are collecting items for our "Creation Station" and need things like plastic bottles of various sizes, measuring tools, string/yarn, cardboard, random beads/sequins, tape, straws, wooden sticks, dowels, rulers, various pieces of scrap fabric (nylon, cotton, polyester, etc.), Poster board and cardstock (various shapes, sizes, scraps, etc.), and /or any other clean, recycled products from home! Thank you for any and all donations!!

## Weekly Words

Has your child been practicing our spelling words for this week?  
Your child should be able to recognize and spell these words!  
Don't forget about the helpful power points on the blog!
