

Ms. McKeivitt's 4th Grade Class

Next Week:

Math- We are continuing to work on division.

We are reviewing the base ten blocks, scaffolding, and slide methods. We will also be learning the traditional method. There will be a quiz on all of the methods next Friday.

Reading/Writing- We have started our non-fiction book, The Georgia Colony. While reading this book we will be talking about text-structure. We will also continue to work on our first big writing piece for the year! We have already finished our rough draft and will now be editing and starting the final draft.

Grammar-Next week, we are going to discuss the homophones two, too and to, as well as, their, there, and they're.

Social Studies- We continuing our unit on Explorers!

Science- Mrs. Powell is continuing teaching a force and motion unit in Science! Test is Monday 11/18.
