

Mrs. Condon's 4th Grade Class

This Week:

Math- We will be talking about how to compare fractions with different denominators!

Reading- We will be discussing how we can determine the meaning of and compare and contrast different myths?

Grammar-We will be learning how to correctly use quotation marks. We will also be learning how to correctly order adjectives!

Social Studies- We will continue our unit on the American Revolution!! (On youtube there are Liberty's Kids episodes that are great for review)-

Vocabulary Quiz Friday

Science- Mrs. Powell is teaching a unit the night sky.
