

Mrs. Powell & Mrs. Condon's Newsletter 10/12/15

In the classroom this week:

Math: area and perimeter

Science: weather vs. climate; weather map symbols; reading a weather map; study guide will be given out Monday for the weather test which will take place on Wednesday, October 21st

Reading/Writing: using our knowledge of story elements to find them in longer texts; finishing our typing of the narrative writing

Social Studies: finishing up Native American unit; test will be Friday, October 16th; study guide has been sent home and emailed

Homework:

Daily: Check the homework folder in the agenda daily. Homework packets will be given weekly, however, pages will be labeled with daily due dates. This goes for reading and math.

Weekly: No math word problems this week. See the worksheets students bring home instead.

A few reminders:

-Fall Festival- Oct. 18

-Conference week is October 19-23.

*All conferences are scheduled with your child's homeroom teacher. If you would like to conference with your child's second teacher, please send an email and we will arrange that.

-Reminder: Students are dismissed at 12:20 during conference week.
Please send in a transportation note if you need your child to go home
different than usual.
