

Mrs. Powell & Mrs. Condon's Newsletter 9/28/15

In the classroom this week:

Math: In math we will be starting our multiplication unit. We will also continue to work on word problems.

Science: We will be learning about and creating weather instruments.

Reading/Writing: In writing we will be starting our first narrative and in reading we will continue working on theme.

Social Studies: We will be beginning our unit on Native Americans.

Homework:

Daily: Check the homework folder in the agenda daily. Homework packets will be given weekly, however, pages will be labeled with daily due dates. This goes for reading and math.

Weekly: **Two** math problems from the weekly word problem sheet due Friday.

A few reminders:

-No school the week of 9/21-9/25

-Fall Festival- Oct. 18
